Join us for some fun CS department events!

- Spring Cirque du CS
- Holiday cookie party
- Faculty-student frisbee game

Spring Cirque du CS

A celebration of student accomplishments in Computer Science! **Demonstrate your CS110 project!**

Holiday Cookie Party

Take a break from the end-of-semester crunch and join us for some cookie baking, great food and fun crafts!

As they say, "you are what you eat"!

Outdoor Fun

Faculty-student Frisbee game

All levels of skill and experience are welcome!

The faculty have always beaten us in the past, but never again! We have some Wellesley Whiptails on our team and we've been practicing hard, so we're gonna kick the faculty's butt this year!
-- anonymous CS student
